CVC Challenge

Standards: English 1.6, CS 1.1, 1.3
Materials: Mobile device, Blue Bot App

Challenge One:

Load the Alphabet grid.

Choose Explore mode.

Select Step by Step.

Drag your Blue Bot to the purple square.

Choose a card from the stack. What is the initial consonant? ____

Move your Blue Bot to the initial consonant by pressing the arrows.

Draw the arrows you used to get to the correct letter.

Challenge Two:

Switch to Basic Programming.

Choose a card from the stack. Create an algorithm that moves your Blue Bot from the purple square to the initial consonant.
Press Go.
Did your Blue Bot go to the letter? _____

Bonus: Using the Blue Bot, can you spell the whole word?

Coding Workspace

You can use this space to draw the arrows that will take you to the letters.
